

Makrolon VR Warranty

Five year limited warranty

The following terms and conditions constitute the sole warranty made by A & C Plastics Inc (the “Company”) regarding Makrolon® VR Sheet (the “Product”) to the immediate purchaser of the Product from the Company or its authorized distributor (the “Buyer”). In all cases, the Company’s sole liability and the Buyer’s sole remedy shall consist of the Company replacing the defective Product or refunding the purchase price, at the Company’s option as discussed herein. This warranty shall not apply to any Product improperly installed, maintained or used in an inappropriate application. Failure of the Product due to incomplete or incorrect Buyer-supplied information shall not be warranted. Notwithstanding any other provision in this warranty or elsewhere to the contrary, the Company’s liability, for any cause whatsoever, shall not exceed the purchase price of the Product in question. The Company shall not be liable for any special, incidental, indirect or consequential damages of any kind, arising at any time or for any cause whatsoever. In no event shall this warranty cover the cost of removal, reinstallation, transportation and handling, or similar costs. All warranties begin on the date of sale to Buyer. Buyer must notify the Company within 30 days of an alleged defect or this warranty shall be void. This warranty shall not apply unless Buyer returns defective material for evaluation and testing and proof of purchase to The Company prior to the expiration of the warranty.

Subject to the conditions and definitions contained herein, if the Product breaks five (5) years from the date of sale due to a manufacturing defect, then the Buyer, at A & C Plastics' option will receive a free replacement sheet within 30 days or will be refunded the original Product purchase price.

CONDITIONS

This warranty applies only when the Product has been designed, fabricated, installed and cleaned in accordance to guidelines published by The Company.

Breakage: The Product is tougher than acrylic, impact modified acrylic and clear vinyl and resists impact, abuse, and vandalism. However, no material can be described as unbreakable, for it is impossible to account for all types of usage. The warranty applies if the Product breaks and a sample of the returned Product breaks in a brittle manner (breaks into separate pieces with sharp edges, without plastic deformation) when tested according to ASTM D 3763 modified by the Company.
