Re: Mirrored Acrylic Sheet

To Whom It May Concern:

A&C Plastics hereby certifies that all of our Mirrored Acrylic Sheet is fully confirmed to the standard of RESTRICTION OF HAZARDOUS SUBSTANCES (ROHS compliant) in accordance with EU RoHS Directives 2002/95/EC – 2011/65/EU. Additionally, the mirrored Acrylic sheet does not contain any of the heavy metals listed below. We also certify that none of these chemicals are a part of the manufacturing process.

Cadmium

Lead

Mercury

Chromium

PBB

PBDE

Other Bromine compounds

Should you need any other information, please feel free to reach out to your sales representative.

Sincerely,

A&C Plastics
