

# ALUMATEX

## THE BEST OF BOTH WORLDS

The strength of aluminum + The versatility of polyester coating.

Alumatex, a versatile composite material, combines easy maintenance, flexibility, and aesthetic appeal. Its scratch resistance and low-maintenance surface make it a durable choice for both interior and exterior projects.

### MULTI-METHOD MARVEL

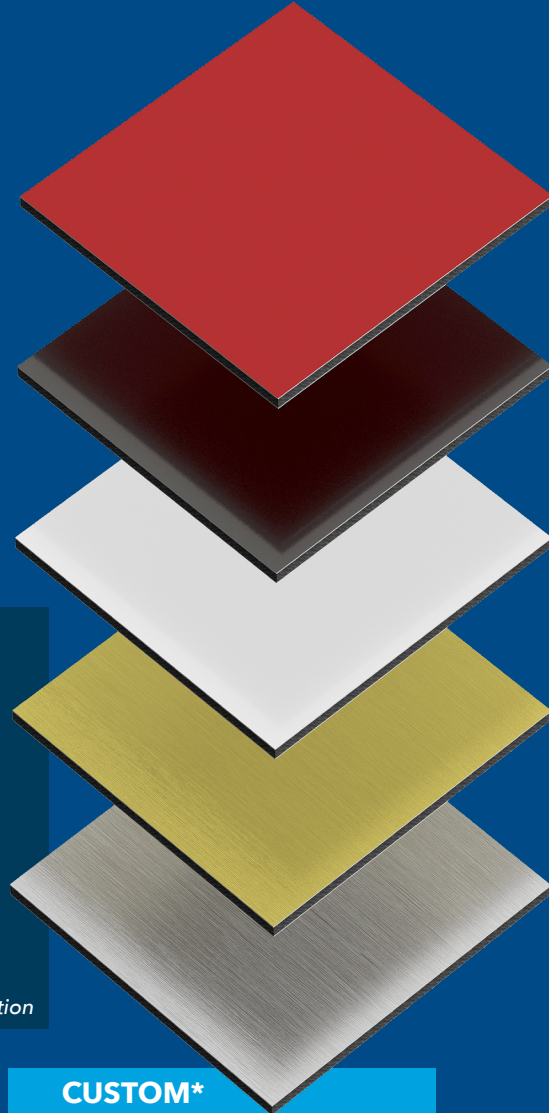

Our enhanced polyester coating provides superior results for direct to substrate UV & latex printing by providing augmented adhesion for UV-curing and solvent based inks. Additionally, all Alumatex grades are optimized for DTSP digital printing.

### UP TO 10 YEARS OF LIMITED WARRANTY\*

10 year bond integrity warranty and a 10 year indoor/ 5 year outdoor finish warranty on all Alumatex signage colors.

*\*for delamination*
