Memo from A&C Plastics:

A&C Plastics hereby certifies that all of our Acrylic Sheet is fully confirmed to the standard of RESTRICTION OF HAZARDOUS SUBSTANCES (ROHS compliant) in accordance with EU RoHS Directives 2002/95/EC – 2011/65/EU. Additionally, the Trucast Acrylic sheet does not contain any of the heavy metals listed below. We also certify that none of these chemicals are a part of the manufacturing process.

Cadmium  
Lead  
Mercury  
Chromium  
PBB  
PBDE  
Other Bromine compounds

Sincerely,

A handwritten signature in black ink, appearing to read 'Katie Clapp', is written over the large, light blue 'A&amp;C' watermark.

Katie Clapp  
President
