

# Trucast Conflict Materials Report

A&C Plastics Inc.  
6135 Northdale  
Houston, TX 77087

October 3, 2025

To whom it may concern,

A&C Plastics confirms that cobalt, mica, copper, natural graphite, lithium, and nickel are not intentionally used in the production nor the production process of the raw materials used in the manufacturing of our TruCast Acrylic Sheets.

Sincerely,  
Katie Clapp

President
