Memo from A&C Plastics:

A&C Plastics hereby certifies that the Acrystar Acrylic Sheet is fully confirmed to the standard of RESTRICTION OF HAZARDOUS SUBSTANCES (ROHS compliant). Additionally the AcryStar Acrylic sheet does not contain any of the heavy metals listed below. We also certify that none of these chemicals are a part of the manufacturing process.

Cadmium
Lead
Mercury
Chromium
PBB
PBDE
Other Bromine compounds

Sincerely,

A handwritten signature in black ink, appearing to read 'Katie Clapp', is written over the large, light blue 'A&C' watermark.

Katie Clapp
Vice President
