

## Still number one in customer service.

The competition is fierce in the plastic sheet business, but year after year, we continue to win the crown in customer loyalty. Sure, we have the materials, colors and sheet sizes you're looking for, but what really makes us attractive is our obsession with providing the very best in customer service. So when your next job depends on getting the right plastic at the right time, call A&C. After all, we only look good if you look good.
