

We wanted to make
a fancy ad.

But we're too busy
helping customers.

The good news is
that you only need to remember one thing:
we have the largest in-stock inventory
of plastic sheeting.

Period.

Oh, and remember our name, too —
A&C Plastics.

And our info:
800-231-4175 *or*
ACplasticsInc.com

(Okay, that's a lot to remember.
Just hang on to this ad.)

Service.
It's what we deliver.
