

**We don't leave for the day
until your plastic has.**

You don't know us, but if you order plastic from our sales team, you can bet we know you. We work hard to make sure your plastic leaves the warehouse accurately, and on time.

Do we mind that the sales team usually gets the credit?

Not really. After all, we have the bigger office.

Bryan Hinojosa
Warehouse Manager

Jose Perez
Assistant Warehouse Manager
