

SDS - UHMW (Virgin)

1. Product details

Product/Article:	Technical semi-finished product or machined part
Abbreviated terms:	PE – UHMW / PE 1000
Material characterization:	Semi crystalline plastic
Main components:	Polyethylene, possibly Olefin-Copolymerisate, Stabilizer, Additives
Components subject to labelling:	None
Classification according to REACh:	Article
Notes:	-

2. Product characteristics

Form/State: Color: Odor:	Firm
Density: Melting Range:	Natural
Glass transition temperature:	Nearly odorless
Thermal decomposition:	>0.93
Ignition temperature: Notes:	130...135°C
	-
	>390°C
	>350°C
	-

3. Danger warnings

Special risks for mankind and the environment:	None
Notes:	-

SDS - UHMW (Virgin)

4. Handling and storage

Handling:	Product can be worked with conventional machines and tools. Before machining the product should have room temperature and/or to be stored for min. 24h under normal climactic conditions
Storage:	Horizontally, dry, protected against frost and climatic influences
Safety measures:	
Notes:	- -

5. Transport

Transport:	Non dangerous goods according to the transport regulations Secure against slipping
Notes:	-

6. Fire – fighting measures

Suitable extinguishing agents:	Water, foam, carbon dioxide 2), dry powder extinguishing (CO agents
Potential combustion products:	CO, CO ₂
Necessary protection equipment:	Complete protection equipment for fire-brigade Use self-contained air respirators during strong smoke and steam development
Notes:	Molten product has to be cooled with water. Fire residues must be collected and disposed of according to the local instructions

7. Disposal references

Recyclability:	Check possibility of recycling
EC Waste Catalogue:	The product is classified in accordance with the European-Waste Catalogue (EWC) as "Not dangerous"
EC Waste Code:	12 01 05 Plastics shavings and turnings 20 01 39 Plastics of Separately collected fractions
Waste removal:	Has to be conveyed to a suitable dumping site or combustion plant in accordance with local regulations

SDS - UHMW (Virgin)

8. Marking and Guidelines

Marking in accordance with EEC guidelines:

No labelling required

Other guidelines:

-

Notes:

-

9. Information about REACH

In accordance with the EU directive 1907/2006/EC (REACH), article 3, no. 3, our products are clearly defined as articles not subject to registration.

The European directive regarding chemicals no. 1907/2006 (REACH) enforced on June 1st 2007 stipulates Material Safety Data Sheets (MSDS) only for dangerous substances and preparations. Our products do not fall under this scope of REACH.

10. Other information

A&C Plastics has no control over the conditions under which this material is used and therefore does not guarantee that results described herein will be achieved. Each user is responsible for conducting their own tests to determine the material's suitability for their specific application. A&C Plastics and its distributors assume no liability for losses resulting from improper installation or use of the material. As part of our policy of continuous product development, please verify with A&C Plastics that you have the most current information available.
